Miscellaneous First Week Stuff

1. Please fill out the first week of class survey: <https://goo.gl/forms/wNdckTaGdcgNKnI03>
2. Please fill out the when2meet poll so that we can schedule office hours for Margaret and Nicole. We will each hold 2 office hours a week. NOTE: I know this is the opposite way that these are generally used, but please only fill in the hours during which you have class as “available”. So you should have all class/section/lab times marked in green and all other times marked in red. Link to when2meet poll: <https://www.when2meet.com/?7131537-vkuen>
3. Please write a short bio about yourself for the Pre-MAP website. You can find examples from last year’s cohort on the Pre-MAP site here: <http://depts.washington.edu/premap/category/cohort-13-2017/> . You have to click “Read More” to see their full paragraphs.
Please type your bio paragraph into the space below. I am already shared on this Google doc and will be looking here for your responses.
